

# Sunshine Hills Elementary School

## Grade 7 Quebec Fundraising Team will be holding a **Developmental Disabilities Clothing Drive**

**Saturday, November 19, 2016**

**Drop Off: grassy area corner of Bond and Ryall ('grade 7 island')**

**10:00 am to 2:30 pm**

**(On your way in to the Christmas Craft Fair in the gym☺)**

The Developmental Disabilities Trust offers the opportunity to raise funds by collecting used clothing, purses, sewing materials, towels, bedspreads, stuffed animals, shoes, toys, games, knick knacks, and small household items.

**We would like to challenge each Sunshine Hills family to drop off at least one bag each !**

**WE WILL RECEIVE  
\$2.00 per bag for 75-150 full bags and  
\$3.00 per bag if we exceed that number!**

**\*\* The definition of a "bag" is any large (approx 36" X 26") black or green garbage bag. \*\***

We invite everyone to participate in the clothing drive. Sunshine Hills Elementary School families, your friends, neighbours and relatives, as well as the entire community.

**Please spread the word!**

Keep in mind while you are cleaning out your closet, that you'll not only be supporting a school trip, but also helping people with developmental disabilities and the environment. Most importantly the children see the importance of these causes, and the positive difference that they can make.
