March 1st, 2017

Dear Parents/Guardians of Div. 9:

Today March 1st, 2017, the students from Div. 9 are fortunate to have the O.W.L Bird Sanctuary visit our classroom. They will bring in an owl, possibly more than one, and will explore the sounds, sizes and species of owls and raptors. As well, they will explain how the birds arrived at the sanctuary and how the students can be good stewards towards birds and other wildlife. The visit is to enhance the Science Curriculum's concept that our ecosystem impacts and has an effect on the life cycles of living things.

After our visit please ask your child about the birds, in particular: "What is a raptor?" and how they can help to keep while birds safe.

The presentation will take place from 1:00pm to 2:30pm in the classroom at our school. The cost per student is \$5.00. Please complete, sign and return the attached consent form along with monies Thursday, March 2nd. Thank you. We apologize for the short notice, however did not want the student to miss this opportunity.

Sincerely,

Ms. J. Wilson
Teacher
