

April 13th 2017

Dear Gr 7 parents,

YEARBOOK Information:

We have started the process that is “gr 7 yearbook” and there are some things we need from you to make it successful, including a baby photo of your child and group photos from over the years etc. (details below).

Yearbooks will be \$5 per student. The actual cost of each yearbook is \$11.70. However, we are able to offset the cost through our previous fundraising efforts. The remaining funds raised will be used for the grade 7 luncheon.

Payment is necessary to have a yearbook ordered for your child.

What we need from you:

- \$5 **cash** due by MAY 12th (teachers will collect, make sure your \$ has your child’s name on it)
- One baby photo of your child (up to 1 year old). **Please re-name the photo** with your child’s first and last name before emailing it to us (email below)
- Group photos of your children and their classmates over the years (K to 7) in school related activities: field trips, making gingerbread houses, Christmas concerts, Terry Fox Run, Hip Hop, Sports Day, Halloween, playing on sports teams, Track and Field, etc. Please state the grade the photos were taken in if possible and email them to us
- If your child attended Kindergarten at a school **other than Sunshine Hills**, please email us a copy of their Kindergarten photo. If they attended SSH we have their photo from the school files.

Our email address is below – please send your photos in by **May 19th** so we can make an amazing keepsake for the students!

We require email copies, NOT hard copies of actual photos please. If you don’t have the required photos saved on your computer to send in to us, please take a picture of the hard copy photos with a cell phone and email them to us.

Thank you for your help with this.
