Dear Parents of _____:

Welcome to Sunshine Hills Elementary School! The teachers and I are looking forward to having your child enrolled and hope that you and your son or daughter have many happy and rewarding school years in Delta.

Your child is in Group _____. Please check the table below to see when your child attends during the first 3 weeks. On your child's first day of Kindergarten: Please come to the front of the school at your group's time. There will be signs indicating where you will be going.

Delta School District endeavours to provide 1 or more Kindergarten class in each elementary school with a maximum of 20 per class. The number of classes for a school will depend upon projected enrolment forecasts, actual registrations, and available space in the building. When children are registered, they are enrolled for the program and not necessarily to a particular class or school. When enrolment reaches or exceeds the maximum, it becomes necessary to have some K children attend the closest school that has space.

Our school currently has 3 full-day Kindergarten classes. So that both the school and parents can proceed with planning for entry into Kindergarten in September, a schedule is enclosed showing the hours your child will attend during the first few weeks of school. Attendance hours for the Kindergarten students have been modified for their first 9 school days to make the transition from home to school as easy as possible. This permits each child to:

- gradually extend the time which he/she is away from the family;
- adjust to the many new routines which he/she needs to learn;
- adjust to the new adults and children with whom he/she will be working.
