Sculpting

Dear Parents and Guardians,

In a multi-week sculpture class, children will be taught to draw, create, sculpt, texture and paint. The final work will be a small, bust sculpture of a creature of the child's invention. The goal of the exercise is to help students take a 2D drawing with multi-views and use these to create a 3D sculpture. Students will be encouraged to take two animals or creatures and hybridize them into a new and original creation. The cost for this activity is \$5.00.

Thank you,

Mr. D. Schofield
Mr. P. Genuist
Teachers

Please Return to your child's teacher by Tuesday, February 12 2019
