April 10, 2019

Dear Parents/Guardians of Division 15:

To enhance our Science curriculum this term, Division 15 will be visiting the Lower Seymour Conservation Reserve Watershed on Tuesday, April 30<sup>th</sup>, 2019. Students will engage in place-based learning, not only to discuss our local ecosystems and West Coast biome, but to also learn about the importance of sustainable living to protect our planet's future.

The Lower Seymour Conservation Reserve will be providing transportation by bus to the watershed. We ask that you be at the school by 8:45 a.m. as will be leaving the school promptly at 9:00 a.m. and returning to the school at 3:00 p.m.

The cost for this trip is \$10.00 per student (*cheque payable Sunshine Hills Elementary*). Please read the details on the attached Metro Vancouver Consent Form, which they request be completed for each student participating in the Watershed field trip, along with the school's consent form. **Both forms will need to be completed in order for a student to participate.**

If you would like your child to participate in this field trip, **please complete, sign and return the attached consent forms along with payment by Tuesday, April 16<sup>th</sup>.**

We realize that some of the activities scheduled throughout the year may be a financial burden for some families. We do not want to see any student deprived of the opportunity to participate in any activity. Therefore, the school would like to offer to help with the cost if necessary. Please do not hesitate to contact Ms. Greenhalgh or Mrs. Hoffinger in confidence if you would like some assistance.

Sincerely,

Mme Brown
