April 4, 2019

Dear Parents/Guardians,

One of the overarching ideas of the curriculum is for students to learn about similarities and differences in individuals and groups and how that understanding can influence community health. Some differences can be the result of age, race, religion, gender, sexual orientation, or many other factors.

On April 11, 2019, Divisions 1, 2, 3, 11, and 12, along with other Grade 7 classes from nearby elementary schools, will be walking to Seaquam Secondary School to attend a presentation by **Out In Schools**. We will be leaving Sunshine Hills Elementary at 9:30 a.m. and returning to the school at 11:45 a.m.

Out in Schools do presentations throughout the province on themes associated with Sexual Orientation and Gender Identity (SOGI). See their website at <http://outinschools.com/> for further information. The goal of the presentation is to engage students in discussions around SOGI issues and how to reduce incidences of discrimination and intolerance in society.

Sincerely,

Ms. Kramer
