

Sunshine Hills

École Élémentaire | Elementary School

June 10th, 2020

Dear Sunshine Hills Families,

As we are well into our second week of return to school at Sunshine Hills, we wanted to thank everyone for their support, care, and understanding. We have been working hard to provide learning opportunities while staying safe. Your continued support is greatly appreciated. This letter outlines the next steps in terms of how we are going to roll out the remainder of June and close this school year:

1. The final day for remote and in-class face-to-face learning for students across the district, is **Friday, June 19th**.
2. Should you need it, ESW childcare will run up to and include Wednesday, June 24th. Please contact the office if you are an ESW worker and are needing childcare beyond June 19th.
3. As a way for students and teachers to say goodbye and wrap up the year, students will be scheduled via Parent Connect to come and pick up their belongings from School on June 22nd, 23rd, or 24th. Students will come and meet their teacher (by their regular classroom entrance) and collect their belongings from inside the classroom and parents will need to wait outside during this time. We are offering students who have not had a chance to come into the building, to walk with their teacher (at a safe distance), collect their belongings, go back outside and say goodbye. It's important for students who have not been in the building yet, to have the opportunity to see some of the protocols in place. Please note that this will be voluntary, if a child does not wish to go into the school, we will have a runner collect belongings, and then the student and teacher will say their goodbyes outside.
4. As mentioned, we will have times for families to sign up on Parent Connect to come and collect belongings and say goodbye. Also, during this time, we ask any technology that was borrowed from the school to be returned to the classroom teacher. The Parent Connect sign up link will be emailed to families on Friday, June 12th. Please sign up for one-time slot per student.
5. This year our report cards will be going out electronically through Parent Connect. On June 25th, please check your child's folder on Parent Connect for their report card. All other documents, such as AIPs and IEPs will also be uploaded to your child's folder.

Once again, thank you for your patience, care and kindness. We have been through a lot together, and together we wish to end the year on a positive note, Sunshine Strong. If you have any questions, please don't hesitate to connect with the school.

Sincerely,

Mr Jody Billingsley and Mrs Sharon Hoffinger
Principal/Directeur Vice-Principal/Adjointe Directrice
