Doug Sheppard spoke of the School District's long-term planning and parent engagement at the school level. The focus being building off the strengths in the community, rather than the "fixing" approach. There are executive positions available at the District Level (DDPAC). They are BC Confederation of Parent Advisory Councils Rep (BCCPAC) and Parent Education Coordinator. Description of these volunteer positions are found on the DDPAC site under "Constitution and By Laws". These volunteer positions are open to parents of Delta students and who are non-employees of the Delta School District.

9. Playground – Dawn

- We are hoping to get sponsors for the front playground. We are still waiting for information from the district.
- We are planning to work with Habitat.
- The playground needs to be moved because it doesn't meet the code and the whole play space needs to be replaced at one time.

Went very well. All the Christmas decorations were happily received. Looking for ideas from the staff for other ways we can help in the future.

The decals are going ahead. They are being designed and we are looking for a company to print these out for us.
