Hello Sunshine Families.

Another gorgeous weekend is almost in the books for us. For those of you who were able to view our Terry Fox Run on Friday, I am sure you found it heart warming. To see our students so full of energy and pride was inspiring. Your children/our students are special and their light was shining bright on Friday. Sunshine Hills spirit was everywhere! A huge thank you to the fab Ms. Poole who orchestrated/planned a very coordinated run for our students.

Have a super Sunday!

Keri Hanlon, Principal/Directrice
