Hello Sunshine Families.

What a week it was for our school. We had lots of sunshine, spirit and fun. Cops For Cancer had the entire school out of the field clapping and cheering. Our Zach Bulger did a super job speaking with confidence and clarity. Also, our school raised \$2120 for the Terry Fox Run-way to go! I came across something this morning that I would like to share; it certainly resonated with me as a parent:

Don't become preoccupied with your child's academic ability, but instead teach them to sit with those sitting alone. Teach them to be kind. Teach them to offer help. Teach them to be a friend to the lonely. Teach them to encourage others. Teach them to think about other people. Teach them to share. Teach them to look for the good. This is how they will change the world.

Have a wonderful week.
