Dear Parents:

School agendas for all students in grades 3 to 7 are now here. These are printed in both English and French to accommodate Immersion as well as English stream students. What is an agenda, you may ask? Agendas are valuable daily companions that help students understand expectations, create timelines, set goals, monitor progress, and track their own success.

The agendas represent a learning tool for students, a communication tool for parents and a teaching tool for educators. We trust that through the cooperative efforts of all concerned, agendas will help our students achieve success at school.

In the first few weeks of the school year, the staff will be helping students develop the “agenda habit” by teaching them to track and take responsibility for their learning. The teachers will be monitoring the use of the agendas on a regular basis. We would ask you to do the same at home.

Please send \$7.00 with your child next week by Tuesday, September 19th, so that they can receive a student agenda. Thank you.

**Kindly return your payment in a sealed envelope labeled with your child's name and grade.**
