October 19, 2023

Dear Parents/Guardians of Division 1 Students:

On **Friday, November 17th, 2023**. Our class will be going on a field trip to the **Surrey Nature Centre** to support our unit of study on evolution and animal adaptations.

The Habitat Adaptations program explores how animals adapt to their habitats with a special focus on one of the Lower Mainland's top predators, the coyote. Students will leave with an understanding of what an edge habitat is, why animal skulls are different, and the crucial role they play in habitat adaptation.

The cost for the field trip is \$5.00 per student and will take place during school hours.

This program is completely outdoors, rain or shine, so please have your child dressed for the weather. Students are encouraged to dress in layers and to wear water-resistant shoes and jackets. In the event of extreme weather conditions, this program will be adapted for an open area or rescheduled to another day.

Volunteers will be needed to drive students to and from the Surrey Nature Centre. If you are able to assist, please complete the appropriate section of the consent form. More information will be sent to volunteer drivers closer to the date.

Please complete the field trip permission form by Thursday, **November 2nd** with your payment. If you are able to drive, please fill out the driving form indicating how many students you can take.

We realize that some of the activities scheduled throughout the year may be a financial burden for some families. We do not want to see any student deprived of the opportunity to participate in any activity. Therefore, the school would like to offer to help with the cost if necessary. Please do not hesitate to contact Mrs. Hanlon or Mrs. Simpson in confidence if you would like some assistance.

Thank you for your support in making this field trip a success.

Sincerely,

Ms. McGuire
Classroom Teacher

STUDENT TRANSPORTATION BY VOLUNTEER DRIVERS

Delta School District values the involvement and commitment of our volunteer drivers. Student transportation is the responsibility of the school principal who may designate a “supervisor” to assume overall responsibility for travel arrangements and supervision of travel for a particular school activity, or for all activities.

In accordance with guidelines in the Schools Protection Program Reference Manual and the regulations of the Motor Vehicle Branch, any volunteer driver willing to provide transportation where needed for organized school activities, must review and comply with the following conditions:

- The driver must hold a valid British Columbia driver’s licence (Intermediate Stage or Full Privilege only);
- The vehicle must have standard insurance coverage with I.C.B.C.;
- The vehicle must have one seatbelt available for every passenger, including the driver;
- The number of persons being transported in the vehicle must not exceed the normal carrying capacity of that vehicle;
- The vehicle must be maintained in sound mechanical order;
- Children under the age of 13 must not be transported in the front passenger seat in vehicles equipped with a front airbag on the passenger side;
- The driver must authorize a Criminal Records Check for situations involving overnight trips with students;
- ALL INCIDENTS OF INJURY OR VEHICLE ACCIDENTS MUST BE REPORTED TO SCHOOL STAFF and an Incident Report (Operations 1142) must be completed and provided to the School District Office.

A vehicle with a seating capacity of more than ten persons, including the driver, is classified by the Motor Vehicle Branch as a “bus”. A “bus” used to transport students is required to have a valid school bus permit issued by the Motor Vehicle Branch. This will include volunteers’ vehicles and rental vehicles used for student transportation.

Volunteers who rent vehicles to transport students for school-approved functions must be aware of the appropriate requirements for drivers licence classifications, Third Party Liability insurance limits, and School Bus Permits, particularly when renting vehicles which have a capacity to carry more than ten people, including the driver. Vehicle capacity, and not the number of passengers being carried, is the determining factor. Only drivers who are declared to the rental agency are allowed to drive (confirm minimum age requirement for operating a rental vehicle with the rental agency). Insurance coverage is voided if an undeclared driver drives the vehicle.

The Insurance Corporation of British Columbia considers drivers to be “volunteers” as long as they are reimbursed only for reasonable expenses. If you are paid a wage or are reimbursed for your time, you no longer would be considered a “volunteer” and you should contact your Autoplan agent as it may be necessary for your vehicle to be rated for “business use”.

Your actions on behalf of the School District are covered by the School Protection Program while participating in any school board or school-authorized and supervised activity. However, not all situations that occur during off-site school activities will be considered part of the approved activity. For example, if you decide to leave the premises of the school activity for personal reasons and are involved in an accident, the School Protection Program may not respond on your behalf. You should be aware that volunteers may have some personal legal liability exposures. These exposures may be insured under the liability section of homeowners’ or tenants’ insurance policies, or under an ICBC Policy. You are advised to check with your own insurance agents.

Third Party coverage above \$200,000 (basic personal coverage) is provided by the Schools Protection Program, however, NO COMPREHENSIVE OR COLLISION coverage is provided beyond your own personal vehicle insurance.

There is NO MEDICAL, DENTAL OR DISABILITY COVERAGE for volunteers. If you are injured by the actions of other people, you still have the right of common law action and in the case of automobile-related injuries, ICBC coverage may apply. **Please report ALL incidents of injury or vehicle accidents to school staff immediately.**
