Hello Sunshine Families.

I hope you've had a restful weekend after a busy week. Please note that wasps are still a concern and if your child requires an epi-pen, it is on site at the office. We are very fortunate to have a massive school yard bordered by enticing forests. We ask families to remind their children that the large forested area is off limits during school hours unless they are accompanied by a teacher.

Also, be sure to note upcoming dates as we have a series of four day weeks coming up starting with this week. Lastly, if your child is having difficulty transitioning into the school at drop off, please let the office know and we will very happily help your child get to class.

Enjoy the exceptional weather today!

Kind Regards,

Keri Hanlon Principal/Directrice
