Hello Sunshine Familie.

Happy Thanksgiving weekend, we definitely have a lot to be thankful for at this time. I hope you have all been able to enjoy this glorious sunshine and warmth. To note this week, we have started volleyball season and as such, practices will begin for Grades 6 and 7.

Based upon a few requests, please be reminded gently that any treats being sent to classes need to be approved by the teacher. We have allergies to consider as well as the number of treats over the course of birthday months. We ask that treats are limited to birthdays only unless otherwise specified/requested by the classroom teacher i.e. celebrations, special lessons, etc. Thank you very much for your attention to this small request.

Have a wonderful remainder of this special long weekend.

Respectfully,

Keri Hanlon

Principal/Directrice
