November 16, 2023

Dear Parents/Guardians of Division 9,

To support our science unit on ecosystems, we have invited a scientist to our classroom! High Touch, High Tech will be visiting our school on Wednesday, November 29th, to provide the students of Division 9 with a 75-minute hands-on workshop, *Rainforest Safari!* This curriculum focused program will provide students with the opportunity to explore food chains, ecosystems and what lives and survives in the rainforest.

High Touch High Tech has been fueling the imaginations of children everywhere since 1994, by providing FUN, interactive, hands-on science and nature experiences for children.

The cost for this workshop is \$10.00 per student.

Please complete the form below and return to your classroom teacher by Wednesday, November 22, 2023.

Thank you for your assistance in making this presentation possible.

Ms. Tsougrianis
Classroom Teacher
