

SH PATW December 11-15

Sun 10-Dec-2023 9:04 AM

Hello Sunshine Families.

It's been a very soggy weekend indeed. However, our spirit is bright with all the holiday festivity preparations. I have a few reminders for families today. Please be sure that your child has a complete set of clothing in the event they get wet. Also, we have received many, many donations for the Food Drive but we have discovered a number of expired food items. Please be sure to check before sending the items to school as Deltassist will not take expired food items. Also, there is a great need for baby food. If you can donate non-perishable baby food, it would be greatly appreciated.

Lastly, another successful volleyball season has wrapped up. A huge thank you goes to our athletes, supportive families and of course, our awesome coaches: Coaches Kramer, Atchison, Meredith, Tang, Santamaria, Elworthy and McGuire. Thank you and enjoy your Sunday.

Warmly,
Keri Hanlon
Principal/Directrice
