January 18th, 2024

Dear Parents/Guardians of Division 19,

As part of our Science and Social Studies curriculum, presenters from the Fraser River Discovery Centre will be visiting Sunshine Hills on Thursday, February 1st. We will take part in a workshop entitled *River of Stories*.

A little bit about the workshop: **River of Stories**.

Join us as we journey down the river of stories from the headwaters to the mouth of the Fraser. Travelling along an interactive map, students will learn all about the Fraser River Basin through stories from the near and distant past. The program ends with a reflection on our place in this landscape, as students add their own story to the map.

The cost for this program is **\$10** per student.

We realize that some of the activities scheduled throughout the year may be a financial burden for some families. We do not want to see any student deprived of the opportunity to participate in any activity. Therefore, the school would like to offer to help with the cost if necessary. Please do not hesitate to contact Mme Hanlon or Mme Simpson in confidence if you would like some assistance.

Please return the attached form and payment before Tuesday January 30th, 2024.

Thank you,

Mme Andersen
Grade 2 classroom teacher
randersen@deltaschools.ca
