

Sunshine Hills

École Élémentaire | Elementary School

January 15th, 2024

Dear Parents/ Guardians,

STEMastery is being offered at Sunshine Hills again this year! Seaquam Secondary's STEMastery program is run by students in grades 10-12 with the hope of bringing STEM education to students with a diverse range of capabilities in grades 5-7. This program has been a big success in the past.

The STEMastery sessions will be offered after school from 3:15-4:15 beginning on Thursday, January 25th and then approximately every two weeks after (please see the exact dates on the reverse side). Please keep the schedule for future reference. This year, the program organizers are asking for a one-time fee of \$10 to cover the cost of the materials needed. If the fee is prohibitive to your child attending, please contact Mr. Rodgers (jrodgers@deltaschools.ca) to discuss.

If you would like your child to participate in this program, please fill in the form below and have your child return it to the office by Friday January 19, 2024.

Sincerely,

John Rodgers

Vice-principal

jrodgers@deltaschools.ca

PARENT CONSENT FORM

I give my child, _____, in grade ___ permission to take part in the STEMastery program from 3:15-4:15 beginning on January 25, 2024.
