Hello Sunshine Families.

I hope you are enjoying your long weekend. Our staff, along with the rest of the District, enjoyed a fabulous day of professional learning at South Delta Senior Secondary on Friday. It was a great opportunity to learn from fellow colleagues as well as esteemed guests. Professional learning is integral to networking and developing new skills or reinforcing existing skills. Delta School District does a wonderful job of providing many opportunities for all staff working in every department.

Enjoy this time on a mild BC Family Day.

Take good care.
