

Sun 14-Apr-2024 10:39 AM

Hello Sunshine Families.

We have another busy week coming up at Sunshine. As we approach Earth Day 2024, we will be kicking off a series of daily activities to celebrate our magnificent planet. We also have Student Led Conferences on Thursday so our students are excited and very proud to share their learning with their loved ones.

Have a fantastic day.

With Appreciation,

Keri Hanlon

Principal/Directrice
