

Sun 07-Apr-2024 8:00 AM

Hello Sunshine Families.

I hope you've enjoyed a calm weekend. We have a few things of note for you regarding the upcoming week at Sunshine Hills. With the partial solar eclipse projected to take place from approximately 10:40 AM to 12:20 PM, we have adjusted our recess time to ensure students remain inside during the partial solar eclipse. As it is important to err on the side on caution, we will follow the Fraser Health suggestion to keep children inside. This will not impact lunch recess.

Our first week of track was highly successful with many students making the early morning start time. Please note that the warm up starts at 8:00 AM and students need to be on site and ready to go. Please ensure your child has a small breakfast an hour before practice (if at all possible). Athletes need fuel:)

Lastly, our Treat Days are very popular. In an effort to organize overcrowding at the treat tables, line ups are now required in an orderly fashion. Please observe line up etiquette an in effort to ensure Treat Day sales continue with ease and success. Thank you for your attention to this request.

Enjoy this slightly chilly Sunday.

Keri Hanlon
