## SH PATW March 31-April 4

---

Hello Sunshine Families.

Are you ready for school and getting back to a routine? We appreciate a break from routine because we all work so hard and time seems to dictate what we do and when we do it. Term 3 is going to be very busy with track starting up, student led conferences, book fair, Grade 7 Celebration and all the other events and activities that make our school special.

I hope you have a fantastic week ahead!

With Gratitude,

Keri Hanlon, Principal/Directrice

#leadwithkindness
