April 28, 2025

Dear Parents/Guardians of Division 8,

On Friday, May 23<sup>rd</sup>, Division 8 will be participating in the Sierra Club of BC environmental outdoor education workshop, **Lifecycles and Ecosystems: Reciprocal Relationships**, which will be held here at the school.

Students will have the chance to look at all beings across seasons and ecosystems in a way that connects the learner to their responsibilities within stewardship. They will explore local environments by engaging directly in outdoor, sensory based play, in nature discovery activities and storytelling about the natural world.

The cost of this workshop is \$6.00

Parents are asked to **complete the form below and send payment to the school by Tuesday, May 6<sup>th</sup>**. If paying by cheque please make it payable to Sunshine Hills Elementary.

**\*Please note, this outdoor workshop will take place at our school in the large forest.**

We realize that some of the activities scheduled throughout the year may be a financial burden for some families, and as we do not wish to see any student deprived of the opportunity to participate in special activities like this, the school would like to offer to help with the cost, if necessary. Please do not hesitate to contact Mrs. Hanlon or Mr. Rodgers in confidence if you would like some assistance.

Thank you for your assistance in making this presentation possible.

Miss. Tsougrianis  
Classroom Teacher

---
