

Hello Sunshine Famililes.

Happy Mother's Day to all our Sunshine Moms! For those who were at the Zone B meet at NDSS last week, I'm sure you are very proud of your children and the effort they exhibited while running, jumping and throwing. We have an incredible contingent representing Sunshine Hills at the District meet this Thursday at SDSS in Tsawwassen. All forms were given to our athletes who will be moving onto the District meet. If your child did not bring a form home, please have them speak to either Mrs. Poole or Mr. Perrone.

It is going to be a very busy four day week. We are hoping to have many families take part in the family participation portion of the Math Festival on Wednesday (3:30-5:00 PM). This will be the first year for the Math Festival at our school. It has been well received at both Jarvis and Pinewood. Again, we thank our SH PAC for allowing us to make this endeavour come to fruition and to Madame Andersen for coordinating at the school level. It takes a village to make great things happen! Moms, enjoy your day: )

Kindly,

Keri Hanlon, Principal/Directrice

#leadwithkindness
